

Greetings Members and Friends of the First Unitarian Society of Plainfield,

We find ourselves once again at the beginning of our annual stewardship campaign, when we canvass our supporters to help establish next year's budget. The driving force behind this year's stewardship campaign is Inspiration. Be inspired that our mission will continue. Lead us into the future with your generous support of our missions and programs. Help Inspire Compassionate Action.

Your generous support of time and money to help lead our congregation into the future is appreciated.

Thank you!

PLEDGE by March 25th by completing this Pledge Card and:
